

The Greek Basketball Coaches Association, with the assistance of the Players' Union and the Women's Player Union, is showing its love for those with needs and its sensitivity against the problems of our society. So there will be hold during the General Assembly of the Players' Union (22/6/2009) in OAKA a volunteer blood donation.

We hope that this move will make others do the same thing, because the players and the everybody who is interested in sports, to show the right way.
