WRITTEN CHARGE

....., resident

I am in the unpleasant place to denounce in our Assosiation, which i am active member of, the Basketball team, because it violated to me his undertaken economic obligations and concretely:

After agreement, with above-mentioned team of I undertook as first trainer the men's department Basketball team, from 200... until the 200... with monthly salary Euro, which would be overwhelmed to me by the team in the end of each month.

Althought I was absolutely reliable in my training duties, the team of it has it only overwhelms the sum of Euros, while it owes me my acceptances for the month where I worked in this, i.e. sum of Euros and which, despite the continuous my complaints, protests and patience that I demonstrated they did not payed.

With the reserve for the exercise of my every legal right against, I request as you will act for the resolution of difference.

With honour
